- The above table shows how many teams will be playing at home each match day. For example, on Day 1, 29th September, Takapuna has all 4 of their teams playing at home, meaning that they will require 12 rinks across their two greens.
- On Day 5, 3rd November, Beach Haven has both of their teams playing at home, meaning that they will require 6 rinks across their one green.
- On Day 6, 10th November, Northcote have both of their teams playing at home, and Sunnybrae
 have their team playing at home, meaning Sunnybrae will require 9 rinks across two greens. This
 is due to Sunnybrae being the home venue for Northcote during this season's pennants
 competition.
