### **BNH Vaccination Policy**

Bowls NZ have ruled that all players entering a National event must be double vaccinated. All clubs that host a National event must have a vaccination policy that only allows vaccinated people to be on the premises and host clubs to require vaccination certificates.

Bowls NZ sent a Vaccination Certificate policy template to all the clubs for them to follow

This meeting was called for the BNH board to consider adopting the same rules as BNZ for Centre events.

Move - All players entering BNH events will have to be double vaccinated and prepared to show proof of this when they play in the event.

Proposed: MT      Seconded:      RW      carried

BNH events will only be held at clubs that have adopted the double vaccination policy recommended by Bowls NZ.

Proposed: NC      Seconded:      EM      carried

Tournament directors and umpires must also be double vaccinated.

BNH will only take responsibility for players and officials being double vaccinated. Any other visitors to the club will be the for the club to monitor.

BNH to advise all clubs of these requirements.

GP suggested we add a paragraph to say these guidelines will be subject to review as and when further information comes to hand.

The Meeting closed at 4.10pm
