## Women's Singles

1. **General Conditions:** The "General Conditions of Play" as they are available on the Bowls North Harbour website will apply to this event to the extent, they are applicable.
2. **Play will commence by:** 8:30am on Saturday 25<sup>th</sup> and Sunday 26<sup>th</sup> March 2023.
3. **Bowls:** Each player will play 4 bowls in each end.
4. **Dead Ends:** If an end becomes dead it must be replayed.
5. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head after delivery of their third bowl.
6. **Time Limit:** A time limit of two hours will apply in all qualifying play and post section games apart from the final. The final will have no time limit. If the jack has been delivered before the end of the signalled time, the end will continue and if the end subsequently becomes dead it will be replayed.
7. **Qualifying:** Entries will be drawn into sections of four with a round robin of three games with the winner being the first to score 21 shots, or is the clear winner after the end is completed when the time limit is signalled. All games in qualifying must be completed in full if the result has any bearing on the potential qualification of any player within the section.
8. **Ties in Qualifying Play:** If a game is a tied after the end is completed when the time limit is signalled, or at the completion of the minimum number of ends as stated in the conditions of play "Inclement weather" below, then both players will be awarded one point.
9. **Byes in Qualifying Play:** Should there not be an even number of player's then a section(s) may contain a bye. The bye will be treated as a win and the same net shots awarded to the player who has the bye that the winner of the other game in the section obtains in that round.
10. **Defaults:** If a player defaults their score will be recorded as a loss. If all rounds of section play are completed the winner of the section will be determined from the result of the three games played between the three players remaining in the section. If due to weather or other circumstances three rounds of section play is not able to be completed, then the bye player/s will be awarded a win and the average net total of shots scored by the winning player in the same round in the same section.
11. **Marking:** All players are required to mark one round of Section play. This is indicated on the chart by an "M". Any player who fails to mark their scheduled game when required will be immediately disqualified from the competition. Host clubs are asked to provide two markers for the whole of the first day's play and six markers for the first round of post Section play on day two.
12. **Determining a section winner:** Three points will be awarded for each game won. One point will be awarded to each player if a game is tied. Where game points are equal the winner of each section will be the player with the highest total of shots scored. If the game points and shots scored are equal the player with the highest net total of shots will be the winner. If these are equal, the player that won the game when the two players met will be the section winner.
13. **Post Section:** The winners of all Sections plus the next best two players will advance to Post Section play in the quarter finals on Sunday 26<sup>th</sup> March. The next best players will be determined in the same way as determining a section winner in clause 12. A blind draw will be held to determine the playing order in the quarterfinals. Post Section play will be to find a winner of each game played being the first to 21 shots within the time limit. Players knocked out of the post section play must be available to mark the next round of games.
14. **Inclement Weather:** During qualifying play, if weather conditions affect play a minimum of eleven [11] ends will constitute a game. If weather forces abandonment of play, 2 completed games will constitute completion of section play, and a result found from the 2 completed games. Each venue will be considered a separate competition when applying this rule. If weather forces abandonment at any one venue before the completion of at least 2 games of qualifying, the balance of events will

be transferred to Day Two. If Day Two play is affected by weather conditions, the balance of games will be transferred to the next available reserve day.

**15. Trophy and Prize Money:** The presentation of trophy and prize money will be made immediately following the conclusion of the final.
