## Conditions of Play for Men Winter Cup

1. **General Conditions:** The "General Conditions of Play" as they are available on the Bowls North Harbour website will apply to this event to the extent, they are applicable.
2. **Greens:** This event will be played on artificial surface greens.
3. **Clothing:** For this tournament mufti clothing is acceptable.
4. **Play will commence by:** 9:30 am on each playing day.
5. **Bowls:** Each player will play 2 bowls in each end.
6. **Trial Ends:** No trial ends for the Winter Cup competition will be allowed.
7. **Umpires:** There will be no umpires appointed to this competition. Ask a person from a neighbouring rink if this is required.
8. **Ends:** Up to twelve (12) ends will be played in each game subject to the time limit.
9. **Dead Ends:** If an end becomes dead the jack is placed on the 2 metre mark.
10. **Incorrect Delivery of the Jack:** An incorrectly delivered jack will be placed by the opposing skip.
11. **Time Limit:** A time limit of 1 ¾ hours will apply in all games. If the jack has been delivered before the end of the signalled time, the end will continue and if the end subsequently becomes dead it will be replayed.
12. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head under the following circumstances:
  - Leads: after delivery of their second bowl;
  - Twos: after delivery of their second bowl;
  - Threes: after delivery of their second bowl;
  - Skip: after delivery of their first bowl.
13. **Defaults:** If a team defaults their score will be recorded as a loss. The non-offending team will be awarded a win and the average of the net total of shots from all other games in that round and in that section.
14. **Scoring:** After the twos have played their bowls, skips (who may require a measure) will decide on the shot(s) held and a maximum of two shots are to be immediately registered on the scoreboard to the leading team.
15. **Tie at end of Game:** In the event of a tie in qualifying play, no extra end will be played to determine a winner and the game will end as a draw.
16. **Qualifying:** Entries will be drawn into two sections with fourteen teams in Section 1 and thirteen teams in Section 2. In each section a blind draw round robin of six games will be played over the first two playing days.
17. **Byes in qualifying play:** Should there not be an even number of teams then a section(s) may contain a bye. The bye will be treated as a win and the average of the net total of shots from all other games in that round and in that section will be awarded to the bye team.
18. **Determining top four winning teams:** In all games three points will be awarded for each game won and one point for a drawn game. Where game points are equal the winning team will be the team with the highest net total of shots. If the game points and the net total of shots are equal the team with the lowest "total shots against" will be the winner. If these are equal the winning team will be determined by the toss of a coin.

- 19. Post section:** The top four winning teams of both sections will qualify for the post section knockout games on day three. Post section play will be to find a winner of each game played. If the scores are tied at the end of 12 ends, or after the end is completed when the time limit is signalled, then one further end will be played to determine a winner. If that end becomes dead then further ends will be played until a result is found.
- 20. Inclement Weather:** In the case of inclement weather eight (8) ends will constitute a game. If weather conditions force an abandonment of play, four completed games will constitute completion of section play, and a result found from the four completed games. In the event of the round robin qualifying not being completed the Event Director has discretion to determine the post section format which maybe as set out in COP 19 or an alternative format on day 3.
- 21. Prize Money:** Prize money will be paid to the clubs at the conclusion of the event.
