Other News

Auckland Bowls Coaches Association (ABAC)

ABCA have traditional tournaments especially for year 1 to 5 bowlers, known as the CAMPI (for women), the CANOE (for men) and the ABCA (mixed teams). This year Bowls North Harbour have regained the opportunity to enter teams in these events and invite bowlers who attended the June coaching to put their name forward. We have the opportunity to enter one team in each of the CANOE and the CAMPI (two day tournaments) and the mixed ABCA (a one day tournament on the following weekend). The playing dates for the CANOE and the CAMPI are August 12th & 13th, which is when the Manly Club hosts the Stanaway competition which many will have already entered.

This is an opportunity for 1 to 5 year bowlers who are available on the Saturday and Sunday to play at an away club and to meet other new bowlers from throughout Auckland and Counties Manukau. Email bowls@bowlsnorthharbour.co.nz to register your interest.

Other News cont'd.

Applications Invited - Women's Open Representative Squad

Call for BNH Women's Representative players for the Prem Development team.

You will need to be a development player; from 5-10 playing years approximately with a desire to represent Bowls North Harbour at the top level in the future.

We will need a spiel about yourself; what you have done in the last two seasons and what you hope to achieve in the next two seasons. Please send that to bowls@bowlsnorthharbour.co.nz Your expression of interest must be received by 4th August 2023.

The submission can come from the club or the player directly.

Applications Invited - Men's Open Representative Squad

Closing date – 31 July 2023 TODAY

Clubs and players are invited to submit the names of players with the potential to be selected to join the above Squad.

Candidates should have:

Proven skills, knowledge and experience and preferably, a history of success in national or centre championships or major events, including in another sport.

A positive and confident "team" attitude with proven consistent ability, particularly under pressure.

The successful candidates will be prepared to join the new representative sides for the coming season committing the necessary time and effort in order to compete successfully in the season's events, including the National Intercentre and "8 Centre" Round Robin, which are the highlights of the programme.

Successful candidates will be invited to participate in trials to be held during two weekends in August 2023

Please forward names and contact information, together with brief details, to:

Grant Goodwin, Convenor
