2. **Greens:** This event will be played on artificial surface greens.
3. **Team Composition:** Teams are to be of four players of any gender and preferably the team members should all be members of their Club executive committee. Clubs are limited to entry of one team only.
4. **Clothing:** For this tournament teams should be attired in their club uniforms.
5. **Play will commence by:** 9:30 am.
6. **Bowls:** Each player will play 2 bowls in each end.
7. **Trial Ends:** No trial ends for the Executive Fours will be allowed.
8. **Umpires:** There will be no umpires appointed to this competition. Ask a person from a neighbouring rink if this is required.
9. **Ends:** Up to ten (10) ends will be played in each game subject to the time limit.
10. **Dead Ends:** If an end becomes dead the jack is placed on the 2 metre mark.
11. **Incorrect Delivery of the Jack:** An incorrectly delivered jack will be placed by the opposing skip.
12. **Time Limit:** A time limit of 1½ hours will apply in all games. If the jack has been delivered before the end of the signalled time, the end will continue and if the end subsequently becomes dead it will be replayed.
13. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head under the following circumstances:
  - Leads: after delivery of their second bowl;
  - Twos: after delivery of their second bowl;
  - Threes: after delivery of their second bowl;
  - Skip: after delivery of their first bowl.
14. **Defaults:** If a team defaults their score will be recorded as a loss. The non-offending team will be awarded a win and the average of the net total of shots from all other games in that round and in that section.
15. **Scoring:** After the twos have played their bowls, skips (who may require a measure) will decide on the shot(s) held and a maximum of two shots are to be immediately registered on the scoreboard to the leading team.
16. **Tie at end of Game:** In the event of a tie at the end of the game, no extra end will be played to determine a winner.
17. **Byes in qualifying play:** Should there not be an even number of teams then a section(s) may contain a bye. The bye will be treated as a win and the average of the net total of shots from all other games in that round and in that section will be awarded to the bye team.
18. **Determining a winner:** In all games three points will be awarded for each game won and one point for a drawn game. Where game points are equal the winner will be the team with the highest net total of shots. If the game points and the net total of shots are equal, the team with the lowest "total shots against" will be the winner. If these are equal the winner will be determined by the toss of a coin.

**19. Inclement Weather:** In the case of inclement weather a lesser number of ends may be called to constitute a game. If weather conditions force an abandonment of play then no further play will be held for this event.
