# A MESSAGE FROM SENIOR TRUST

**SCOTT LESTER, EXECUTIVE DIRECTOR (LEFT) AND  
JOHN JACKSON, EXECUTIVE DIRECTOR (RIGHT).**

Extending a warm welcome and best of luck to competitors and supporters!

The Management Team at Senior Trust has been involved in building wealth and wellbeing for more than 20 years. We lend to premium retirement villages through mortgage secured loans that meet our strict criteria, to deliver steady, attractive returns for our investors. It's a proven strategy, that enables much needed quality housing for senior New Zealanders, while delivering attractive, consistent returns so our investors can live more comfortable lives.

Despite a decade of significant growth, New Zealand's thriving retirement sector is still struggling to keep pace with demand from an ageing population. Concerns around social isolation, security and the rise in living costs suggest continued popularity in this growth sector.

Get the returns you deserve on your hard-earned savings and let us do the hard work, so you can focus on the things you enjoy. Our experienced investor care team have specialist expertise and are here to provide support when you need it.

We are proud to support the bowling community and would love to help 'drive' the delivery of your investment returns, so you can earn more and live well. Wishing everyone a successful season from the team at Senior Trust.

## A MESSAGE FROM THE CEO

Bowls New Zealand is pleased to endorse the Bowls North Harbour NZ Masters 2023 and welcomes this significant event to Summer of Bowls calendar.

There are 40,000 registered club members and over 100,000 casual participants, playing the sport of lawn bowls in New Zealand.

Supporting these bowlers are 483 community bowling clubs, including the many clubs that participants in the Bowls North Harbour NZ Masters 2023 will enjoy over the next week in the North Harbour region.

Congratulations to Bowls North Harbour for taking the initiative and creating the 'Bowls North Harbour NZ Masters' event. It makes for a fantastic addition to our 'Summer of Bowls' calendar and I am sure that it will be a keenly contested event, played in the spirit of camaraderie and good sportsmanship that typifies our sport.

As much as bowls gets us walking, it also gets us talking – and I have no doubt the Bowls North Harbour NZ Masters 2023 will be an opportunity for bowlers to renew friendships both on and off the green.

Thanks to the volunteers, commercial partners, North Harbour clubs and the organising committee for establishing this event.

I look forward to not only its 2023 success, but it being a permanent fixture on the national calendar for years to come.

Good bowling everyone!
