  - (b) The top two sides in the section containing 6 sides;
  - (c) The three next best sides over all sections.

The three next best sides over all sections will be determined on the same scoring basis as in "Determining a Section Winner".

- **12. Ties in qualifying play:** If a game is tied at the completion of the number of ends, or after the end is completed when the time limit is signalled, or at the completion of the minimum number of ends as stated in the conditions of play "Inclement Weather" below, then both teams will be awarded one point.

- **14. Defaults:** If a team or singles player defaults their score will be recorded as a loss. The nonoffending team or singles player will be awarded a win and the average net total of shots scored by the winning teams or singles players in the same round of the same section of the same discipline.
- **15 Determining a Section Winner:** The finishing position of each side shall be determined as follows:

- (c) If match points and game points are tied at the end of the qualifying rounds, the side which has the highest total of net shots (shots gained less shots conceded equals total net shots) shall be the superior side;
- (d) If at the end of the qualifying rounds, match points, game points and total net shots are unable to separate two or more sides, the side with the highest total of shots gained across all games in all matches shall be the superior side.
- **16. Post Section Play:** There will be eight sides qualifying for post section play. The four winning sides from each section will play the other four qualifying sides: see Post Section draw below. If Day Two play is affected by weather conditions, the balance of the matches will be transferred to the next available reserve day.
- **18.** Advice: It is permissible for any Accredited Coach or Manager to advise a Player(s) in their side during the course of this competition as permitted in accordance with Law 44 of the Laws of the Sport.
