Bowls North Harbour Inc

OPEN 2-4-2 Any Combination Pairs

SPECIAL CONDITIONS OF PLAY:

- 1. General Conditions:** The “General Conditions of Play” as they are available on the Bowls North Harbour website will apply to this event to the extent they are applicable.
- 2. Play Commencement Time:** Play will commence by: 9:00 am on Saturday 8th June and Sunday 9th June.
- 3. Qualifying:** Entries will be drawn into sections of 4, a round robin of 3 games of 12 ends or 1½ hours.
- 4. Bowls:** Each player will play in the 2-4-2 format.
- 5. Clothing:** For this tournament matching clothing is not required
- 6. Defaults:** If a team defaults their score will be recorded as a loss. The non-offending team will be awarded a win and the average net total of shots scored by the winning teams in the same round of the same section.
- 7. Dead Ends:** If an end becomes dead it must be replayed in the same player sequence.
- 8. Time limit:** All games to be continued irrespective of the score until the designated time limit (1½ hours) is over or until the game is finished, whichever comes first. If the jack has been delivered before the time signal, the end will continue and if it subsequently becomes dead it will be replayed.
- 9. Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head under the following circumstances: The player from each team who is playing the final two bowls of the end is allowed to visit the head before delivering their final bowl.
- 10. Determining a winner:** In all section play games, three points will be awarded for each game won and one point will be awarded for each game drawn. Where game points are equal the winner of the section will be the team with the highest net total of shots. If the game points and the net total of shots are equal the team with the lowest “total shots against” will be the winner. If these are equal, the team that won the game when the two teams met will be the section winner. If the two leading teams have drawn their game and have equal – game points, highest net total of shots for and lowest total shots against – then the 2 teams will play an extra end to decide the winner of the section.
- 11. Post Section:** The winners of all sections will qualify for post section play with the first round to be played on day 1. If after the required ends are completed in post section play, or the time limit is signalled, and the scores are equal, an extra end or ends will be played to decide the winner. On Sunday, the winning teams of the first round of the post section play will play the quarter finals in the MAIN competition and the losing teams in the first round of post section play will play in a PLATE competition, both over three knockout rounds.
- 12. Prize Money:** The presentation of prize money will be made immediately following the conclusion of the final.
- 13. Inclement weather:** During qualifying play, if weather conditions affect play, a minimum of eight (8) ends will constitute a game. If weather forces abandonment of play, two (2) completed games will constitute the completion of the section play, and a result will be found from the two (2) completed games. Each venue will be considered a separate competition when applying this rule. If weather forces abandonment at any one venue before the completion of at least two (2) qualifying games, the event will be cancelled and the entry fees will be refunded. If weather conditions force abandonment of post section play, prize money will be divided among the teams remaining in the event at the time of abandonment.
