1. **General Conditions:** The “General Conditions of Play” as they are available on the Bowls North Harbour website will apply to this event to the extent, they are applicable.
2. **Bowls:** Each player will play 4 bowls in each end.
3. **Dead Ends:** If an end becomes dead it must be replayed.
4. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head after delivery of their third bowl.
5. **Jack Delivery:** If the jack has been delivered before the end of the signalled time, the end will continue and if the end subsequently becomes dead it will be replayed.
6. **Qualifying:** Entries will be drawn into sections of four with a round robin of three games with the winner being the first to score 21 shots or is the clear winner after the end is completed when the time limit is signalled. All games in qualifying must be completed in full if the result has any bearing on the potential qualification of any player within the section.
7. **Ties in Qualifying Play:** If a game is tied after the end is completed when the time limit is signalled, or at the completion of the minimum number of ends as stated in the conditions of play “Inclement weather” below, then both players will be awarded one point.
8. **Byes in Qualifying Play:** Should there not be an even number of player’s then a section(s) may contain a bye. The bye will be treated as a win and the same shots awarded to the player who has the bye that the winner of the other game in the section obtains in that round.
9. **Defaults:** If a player defaults their score will be recorded as a loss. If all rounds of section play are completed the winner and the runner up of the section will be determined from the result of the games played between the players remaining in the section. If due to weather or other circumstances three rounds of section play are not able to be completed, then the bye player/s will be awarded a win and the same total of shots scored by the winning player in the same round in the same section.
10. **Marking:** All players are required to mark one round of Section play. This is indicated on the chart by an “M”. Any player who fails to mark their scheduled game when required will be immediately disqualified from the competition. Host clubs are kindly asked to provide additional markers where these are required.
11. **Determining a section winner:** Three points will be awarded for each game won. One point will be awarded to each player if a game is tied. Where game points are equal the winner of each section will be the player with the highest total of shots scored. If the game points and shots scored are equal the player with the highest net total of shots will be the winner. If these are equal, the player that won the game when the two players met will be the section winner.
12. **Post Section:** The top two players in each section will qualify for the semi finals to be held at Helensville on Sunday 13th April.
13. **Tie in Post Section Play:** If after the required time is completed the scores are equal, an extra end, or ends, will be played to decide a winner.
14. **Prize Money:** Prize money will be awarded following the final match of the competition.
