SPECIAL CONDITIONS OF PLAY for the

BNH OPEN Ivan Kostanich Memorial Mens Singles

1. **General Conditions:** The “General Conditions of Play” as they are available on the Bowls North Harbour website will apply to this event to the extent they are applicable.
2. **Greens:** This event will be played on artificial surface greens.
3. **Dress Code:** Players are required to wear whites or club colours for all games.
4. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head after delivery of their third bowl. In exceptional and limited circumstances, a player can ask a marker for permission to walk up to the head earlier than described above. If a player does not meet the terms of this condition, Law 13 will apply.
5. **Marking:** All players are required to mark one round of Section play. This is indicated on the chart by an “M”. Host clubs are asked to provide two markers for all of Section play on day 1. Players who have not qualified from section play may be required to mark the first round of post section play on the first day. Players who have finished playing in the competition must not leave the venue without first having agreement from the umpire/event director. Any player who fails to mark their scheduled game or is not available to mark succeeding games will be precluded from entering this corresponding event next season. Markers will be supplied for all games on day 2.
6. **Starting Play in the Match:**
 - 6.1. First set – The winner of the toss prior to the start of the match shall have the option to either take the mat and have the jack and first bowl OR allow the opponent to have the mat, jack and first bowl. In this case the opponent cannot refuse.
 - 6.2. Second set – The winner of the first set shall take the mat, jack and first bowl of the second set. In the event of the first set being drawn the winner of the last end of the first set takes the mat, jack and first bowl of the second set.
 - 6.3. Match Tie-Breaker – The players shall toss again, and the winner of the toss shall have the same options as in the first set. In all subsequent ends in the tie-break the winner of preceding scoring end shall take the mat/jack and have the first bowl.
7. **Incorrect Delivery of the jack:** In the event that the jack is delivered incorrectly then it shall be returned to the opponent player to deliver the jack. If the jack is then delivered incorrectly, it shall be placed on the spot 2 metres from the ditch on the centre line.
8. **Dead Ends:** There will be no dead ends in any match. Should the jack be hit off the rink it will be replaced on the spot 2 metres from the ditch on the centre line.
9. **Byes in Qualifying Play:** Should there not be an even number of players, then a section(s) may contain a bye. The bye will be treated as a win.
10. **Defaults:** If a player defaults their score will be recorded as a loss. The opposing player will be recorded as the winner.
11. **Qualifying:** Entries will be drawn into sections with a round robin of three games with players in each section required to mark one game. Each match in qualifying will consist of two sets of eight ends. The winner of each set will be the player with the highest number of shots at the completion of the eighth end. All eight ends of a set must be completed in qualifying play. If the shots are tied after the eighth end of a set, then the set is drawn.
12. **Tie Breaker Ends:** If, after the playing of two sets, the match is tied (each player having won one set each, or both sets have been drawn) a three-end tie-breaker shall be played to decide

the winner of the match. The winner will be the player who wins the highest number of ends of the three ends played. If a player wins the first two ends, the third end will not be played. The number of shots is not counted in the tie breaker ends

13. **Scoring:** Three match points will be awarded for each match won and nil points for any match lost.

14. **Determining a section winner:** The section winner will be decided by:

- 14.1. The highest number of match points scored;
- 14.2. If the match points are equal, the player with the highest number of sets (a drawn set is half a set) shall be the winner. The tie-breaker end/s are not a set;
- 14.3. If match points and sets won are equal, the player with the highest net total of shots over all the matches in the section (not including tie-breaker ends) shall be the winner
- 14.4. If match points, sets won, and the net total of shots are equal, the player with the lowest total shots against shall be the winner.

15. **Post Section:** There will be 32 sections of 4 players in each for qualifying play with 7 venues being used.

- 15.1. The winners of each section will play 1 knockout match of post section play on day 1 thus resulting in 16 qualifiers proceeding to post section play on day 2
- 15.2. The order of play for the first post section round will be the winner of section 1 plays the winner of section 2; winner of section 3 plays the winner of section 4 and so on up to section 32.
- 15.3. Other conditions of play will be applicable in post section except that from the round of 16 on, players will play nine-end sets.
- 15.4. In post section knockout a set will be decided if at any point it is impossible for a player to win the set given the number of ends available.

16. **Inclement Weather:** During qualifying play, if weather conditions affect play, one set of eight ends will constitute a match and if the set is drawn a single extra end will be played – the players will toss, and the winner may take or give away the jack to the opponent. If weather forces abandonment of play, two completed matches will constitute completion of section play, and a result found from the two completed matches. Each venue will be considered a separate competition when applying this rule. In post section play, matches will be decided on the same shortened basis.

17. **Prize Money:** The presentation of prize money will be made immediately following the conclusion of the final.
