## Do you have impacted earwax?

Many people don't realise there's a problem until the earwax has built up. That's why it pays to have your ears checked regularly by a nurse or audiologist—yearly for most, or more often if you're prone to blockages. Watch for these signs:

- Reduced hearing
- Ear fullness or pressure
- Earache
- Ringing (tinnitus)
- Dizziness

A simple check can keep your ears clear, comfortable, and working as they should.

# President's Message

## 2026–2027 Season

Welcome to the 2026–2027 season! Every new year brings a fresh wave of energy to our greens, and as we look ahead, the future of bowls in the North Harbour region has never looked brighter.

Our clubs are the lifeblood of our Centre, and making sure they thrive remains our core mission. Over the coming year, we're doubling down on our commitment to empower local clubs with practical tools—focusing on financial sustainability, supporting the volunteers who keep our gates open, and modernising how we communicate across our region.

The way people engage with sport is changing fast, and Bowls North Harbour is determined to lead that shift, not just follow it. That means delivering dynamic competition structures that suit today's busy schedules, leveraging technology to reduce administration effort, and opening our doors to new players from all walks of life.

None of our progress happens in isolation. We owe a debt of gratitude to Bowls New Zealand, our loyal sponsors, and our community partners. Your continued investment directly powers our coaching initiatives, facility improvements, and player development pathways.

To our amazing volunteers, greenkeepers, and supporters: thank you for the heart and soul you pour into our sport every day. To the Board, our staff, and every member across North Harbour: thank you for your enthusiasm and shared vision.

Let's make the 2026–2027 season our best one yet. See you on the greens!

**Yours in bowls,**

Neil Connell
