SPECIAL CONDITIONS OF PLAY for the Bowls North Harbour MEN'S CENTRE SINGLES

1. **General Conditions:** The "General Conditions of Play" as they are available on the Bowls North Harbour website will apply to this event to the extent they are applicable.
2. **Restricting the Movement of Players During Play:** In all games, players will only be allowed to walk up to the head after delivery of their third bowl.
3. **Qualifying:** All games in qualifying must be completed in full if the result has any bearing on the potential qualification of any player within the section.
4. **Ties in Qualifying Play:** If a game is tied after the end is completed when the time limit is signalled, or at the completion of the minimum number of ends as stated in the conditions of play **"Inclement Weather"** below, then both players will be awarded one point.
5. **Byes in Qualifying Play**: Should there not be an even number of players then a section(s) may contain a bye. The bye will be treated as a win and no shot differential applied. If all players in a section do not receive a bye, then the player receiving the bye will be awarded a win and the average for and against shots by the winning players in the same round, in the same section
6. **Marking:** All players are required to mark one round of Section play. This is indicated on the chart by an "M". Any player who fails to mark their scheduled game when required will be immediately disqualified from the competition. Additional markers may be available at the host venue (not guaranteed). If players want to be certain of having a marker for their game they should arrange for a marker to be present.
7. **Defaults:** If a player defaults their score will be recorded as a loss. If all rounds of section play are completed the winner of the section will be determined from the result of the three games played between the three players remaining in the section. If due to weather or other circumstances, three rounds of section play are not able to be completed, then the player that won by default will be awarded a win and the average net total of shots scored by the winning player in the same round in the same section.
8. **Determining a Section Winner:** Three points will be awarded for each game won. One point will be awarded to each player if a game is tied. Where game points are equal the winner of each section will be the player with the highest total of shots scored. If the game points and shots scored are equal the player with the highest net total of shots will be the winner. If these are equal, the player that won the game when the two players met will be the section winner.
9. **Post Section:** The winner from sections 1 to 14 will qualify to the Round of 16, Post Section play. The winners of sections 15 to 18 will play off, 15 v 16 and 17 v 18, with the winners of these games to proceed to the Round of 16. Post Section play will be to find a winner of each game played. If the scores are tied when the time limit is signalled, then one further tie-break end will be played to determine a winner.
10. **Inclement Weather:** During qualifying play, if weather conditions affect play a minimum of eleven [11] ends will constitute a game. If weather forces abandonment of play, 2 completed games will constitute completion of section play, and a result found from the 2 completed games. If Day Two play is affected by weather conditions, the balance of games will be transferred to the next available reserve day.
11. **Trophy:** The presentation of trophy will be made immediately following the conclusion of the final.
12. **Prize money:** Prize money will be paid by bank transfer within ten working days post-event. It is the player's responsibility for providing a valid bank account for the payments to be made.
